

Operation North Pole 2023

Saturday December 9, 2023

Veterans of Foreign Wars (VFW) Post 2195, Post Auxiliary and the Allen Texas Police Department are in the process of finalizing “Operation North Pole 2023” with Mrs. Santa Claus.

On Saturday, December 9th, between 10AM to 4PM, good little boys and girls between the ages of 4 and 13 years old will be able to talk to Mrs. Claus at the North Pole and share their Christmas wishes via a Zoom link established by the Allen Police Department and the VFW.

The children will be able to communicate with Mrs. Claus from the Market Street dining area, 985 W. Bethany Dr, Allen. City of Allen Mayor Baine Brooks will be stopping by the Market Street location to greet the children and their parents. Parents should ensure the children have their written Christmas wish list with them.

Merry Christmas and Happy Holidays to all!
